# **YOUR HELP IS NEEDED**

## **For Orphans of Merchant Seamen**

Since its foundation in 1827, several thousand orphans of Merchant Seamen have been cared for, educated, and set up in life; and there are now about 225 boys and girls at the school, many of whom lost their fathers during the late war.

The assured income does not meet the expenditure. New subscribers are urgently needed to bridge the gap. Please show your appreciation of our Merchant Seamen by sending donations or subscriptions to the SECRETARY, THE ROYAL MERCHANT NAVY SCHOOL, 28 St. Mary Axe, London, E.C.3.

*Still dependent on  
Voluntary Contributions*

Despite all the Government is doing for children deprived of a normal home life, the National Children's Home, like all the other recognized voluntary societies, is left free to carry on the work it has pioneered for ninety years. This means it still has to raise its own income—a formidable task when it is remembered that over 3,000 girls and boys are being cared for.

We mention this point because there is still widespread misunderstanding of the Home's present position. The need for funds is as great as ever. In fact, even more support is required to meet the increased cost of maintaining this important national service.

## GOVERNMENT DEPARTMENTS AS PURCHASERS

By A. S. WISDOM, *Solicitor*

In this booklet, the Author lists the land-acquisition powers of Government Departments. These are given in chronological order, dating from the Admiralty (Signal Stations) Act, 1815, to present day statutes of much wider application.

The booklet follows the pattern made familiar by the Author's previous booklets "Local Authorities' Powers of Purchase" (now out of print); "Local Authorities' Byelaws," and "Appropriation of Land by Local Authorities," and is printed in tabular form. It will be found of considerable value as a Summary of, and Index to, the powers possessed by Government Departments in relation to land acquisition.

Price 4s. net, postage and packing 6d. extra.

LORD ROBERTS WORKSHOPS**

(Registered under the National Assistance Act, 1948)

Serving and ex-Service men and women need help in many ways—special training for the disabled, aid in sickness, a helping hand in domestic difficulties. Eight Lord Roberts Workshops and several Clinics have been established for the Disabled Ex-Service man. Car Park Attendants Schemes are in operation. Homes for the Elderly, for Convalescents and for Service Women are maintained.

The Forces Help Society and Lord Roberts Workshops relies on Voluntary Funds to carry on its vital work.
